

The Great 8s!!

You will need:

- The board 
- One six-sided dice 
- Up to 6 counters (depending on how many players) 

1. Players to choose their counters and place them on the start.
2. Decide who will go first and that player now rolls the dice.
3. Move the number shown on the dice and answer the question or follow the instruction.
4. If the player answers correctly, they remain on that place. However, if they get it incorrect, they must move back to where they previously were.
5. The next player takes a turn and repeats instruction 3 and 4.
6. The first player to get to the finish, wins!
