STEM Club

Dear Parents and Carers,

For the last two terms we have been running a STEM (Science, Technology, Engineering and Maths) club. The club has introduced children to different areas of STEM and has provided them with a mixture of scientific learning and hands on activities. Sessions have taken place over a series of 10 weeks with a charge of £8 per child to cover the cost of resources. We are hoping to run another set of sessions during the summer term, if there proves to be the demand for it.

The topics for the half term will involve:

- Introduction to engineering and inclined planes
- Simple machines and levers
- Pulleys and winches
- Wheels and Axles
- Towers
- Boats
- Planes
- Bridges
- Balloon rockets
- Invention and Design Challenges

If the club goes ahead, the sessions will begin on Monday 22nd April 2024 with the final session on Monday 1st July 2024. Each session will finish at 4pm. You will be notified the week beginning 15th April as to whether the club is going ahead, along with final details about sessions and how to make payment. The club is limited to 25 children. If your child is interested in joining this club please return the slip below by **Thursday 28th March 2024**.

If you have any questions regarding the club, please do not hesitate to get in touch.

Yours faithfully

J. Gibbins

Mrs Gibbins
