19<sup>th</sup> June 2024

Dear Parent/Carer,

## Pick up and Drop off Zone

As we continue through the final half term of the summer, and due to an increasing number of people flouting the rules, I would like to remind you how the drop off and pick up zone works at Canford Heath Junior School.

In the mornings, when dropping off, please pull in, drop off your child safely and then move off to allow others to pull in to drop off their children. Be aware of other traffic when you pull back out. If you arrive, and there is no space in the drop off zone to safely drop your child off, circulate around the drop off until a space becomes available. DO NOT park in the drop off zone during this time: this results in other people not being able to drop their children off safely and is not acceptable. Stopping or waiting on the yellow zig zags is prohibited and is an offense.

When picking up at the end of the school day, DO NOT park in the drop off zone. Cones are put out to show that this is not an area for parking in. If you wish to park up, you will have to find an alternative place to park. When the children start to come out at the end of the day, the cones will be removed to allow cars to start to pull into the drop off zone to pick up their child. DO NOT pull into the drop off zone until your child is ready to be picked up, as if you pull in and wait for your child, other cars are potentially unable to pull in when their child may be ready to be collected. We are aware that a number of you have unfortunately been doing this and we will be contacting individuals to reiterate the expectations for collection and drop off with them. If your child is not ready to be picked up, continue to circulate around the drop off zone until they are.

If you are asked to move, it will be because you are not using the zone properly so any abuse or rudeness will not be tolerated.

In the interests of continuing positive relationships between the school and each other, I thank you in advance for your co-operation.

Yours faithfully

Mr M Wilson  
Headteacher
