Dear Parents/Carers

Welcome to Canford Heath Junior School. The PTA for both the Canford Heath Infant and Junior school is called PATCH and friends. We hope that all parents and carers feel that they are a part of PATCH as they are a part of the school community.

PATCH is a team of parents / carers / grandparents / friends who work together to raise funds and organise fun events for your children throughout the year. We are currently responsible for organising the discos, fairs (Summer and Christmas), providing tea, cakes and refreshments for various parent and child led events, leavers parties, leavers hoodies, the pillow party and much more!

The funds we raise are essential to contribute towards school trips, visits and topic support. Every year we also raise funds to support the Pastoral care team and contribute towards the Year 6 residential trip.

Being an active part of PATCH and friends is a really positive experience. It's a great way to get to know other parents and the school representatives. It's great to work together for the benefit of our children, and all children in the school.

We're parents and carers too, so we know just how busy life is but also how critical you are to your child's future. That's why we are committed to providing the little 'extras' to enhance all of the academic, social and emotional milestones your child will experience. Life is busy so the more parents engaged with PATCH the better, if we all do our bit, however big or small it'll make the world of difference to our children.

If you would like to be part of the committee or offer help at events, we would really like to hear from you. We really won't expect more of you than you can offer.

Many thanks

The PATCH and friends' team
