<p>Home Learning Task</p>	<p>Did you know there are around 700 vibrant islands in the Caribbean? For your home-learning this half term, we would like you to choose an island that you are interested in and present it in your chosen way.</p>
<p>What to do</p>	<p>Your chosen work should share facts such as how hot it is there, what you can do there, what food they have there or even how big it is! You can present your facts in any way you wish, such as a poster or a PowerPoint.</p>
<p>Success Criteria</p>	<p>To make a leaflet/poster/display detailing facts about a Caribbean Island of your choice:</p> <ul style="list-style-type: none"> • Tell us the name of your chosen island and show us where it is. • Tell us something about the culture of the island, such as what language they speak or what their national dish is. • Find an attraction that a tourist might visit, such as a popular beach location, a national park or a tour.

To be completed and brought into
school for the week beginning
