

# Marvellous Maya

<p><b>Home Learning Task</b></p>	<p>Based upon your interests of our Maya topic research and present something of your choice.</p>
<p><b>What to do</b></p>	<p>Your chosen area of interest can be presented in any way that suits you! You could do: an infographic, instructions, illustration, annotated diagram or map of their empire, presentation, podcast, Scratch, poem, cookery or any other way you want to show your learning.</p>
<p><b>Success Criteria</b></p>	<p>To research an area of interest on Space</p> <ul style="list-style-type: none"> <li>• Choose an area of interest e.g. <u>Chichen Itza</u>, <u>Frederick Catherwood</u>, temples etc</li> <li>• Include information about your chosen area</li> <li>• You might separate the chosen area into different sections and subheadings</li> <li>• Add any other information you think is interesting.</li> <li>• Present your work beautifully.</li> </ul>

*To be completed and brought into school before the end of the half term.*
