

# Wonderful Me

<p>Home Learning Task</p>	<p>To create piece of work about the human body and its organs.</p>
<p>What to do</p>	<p>You can present your work about the human body however you would like. This could be as a leaflet, diagram, model, lift the flaps, playdough, materials etc.</p>
<p>Success Criteria</p>	<ul style="list-style-type: none"><li>• Included as many of the key parts of the body that we have learnt about as you can. For example - heart, brain, liver, lungs, intestines, veins, arteries, kidneys, liver, oesophagus, blood.</li><li>• Label or identify the key parts.</li><li>• Include the key functions of those parts.</li><li>• Present your work beautifully</li></ul>

To be completed and brought into school: By the end of the week beginning Monday 23rd March
