Article 29: Children have the right to develop their personality and talents to the full.

Friday 27th March 2026

Dear Parents and Carers,

As we approach the end of another busy term, I would like to remind all parents and carers how the school's morning drop-off zone should be used. This area is designed for cars to pull in briefly so that children can get out safely and come straight into school. Once children have been dropped off, drivers should pull away promptly to allow others to use the space.

Please note that the drop-off zone is **not** an area for waiting in your vehicle for any extended period of time, and it is not a place to park and leave your car unattended. When cars wait or park in this area, it prevents the drop-off zone from working effectively and leads to other parents having to stop in the road—something that is both unsafe and disruptive.

After Easter, the site team will be monitoring the drop-off zone each morning. Drivers who are waiting will be asked to move on, and cars that are parked will have a reminder sticker placed on the windscreen. Abusive language or behaviour towards staff will not be tolerated and will be reported.

If the drop-off zone is full on arrival, please circulate around until a space becomes available.

Thank you to the many families who use the drop-off zone correctly each day and help us keep all our children safe.

Yours faithfully

Mark Wilson
Head Teacher
