

DORSET EXPLORERS

KEY KNOWLEDGE
FACT SHEET
YEAR 3

Dorset does not have city. However, these are the major cities around the area of Dorset.

England is divided into counties.

It is also divided into regions which are a collection of counties.

Dorset is the county we live in and it's **bordering** counties are: Hampshire, Wiltshire, Somerset and Devon.

Jurassic Coast

Dorset is a county on the southern coast of England. It has the majority of the Jurassic coast, which is England's only natural World Heritage Site.

Heritage - something that is passed on through time.

Bath

Salisbury

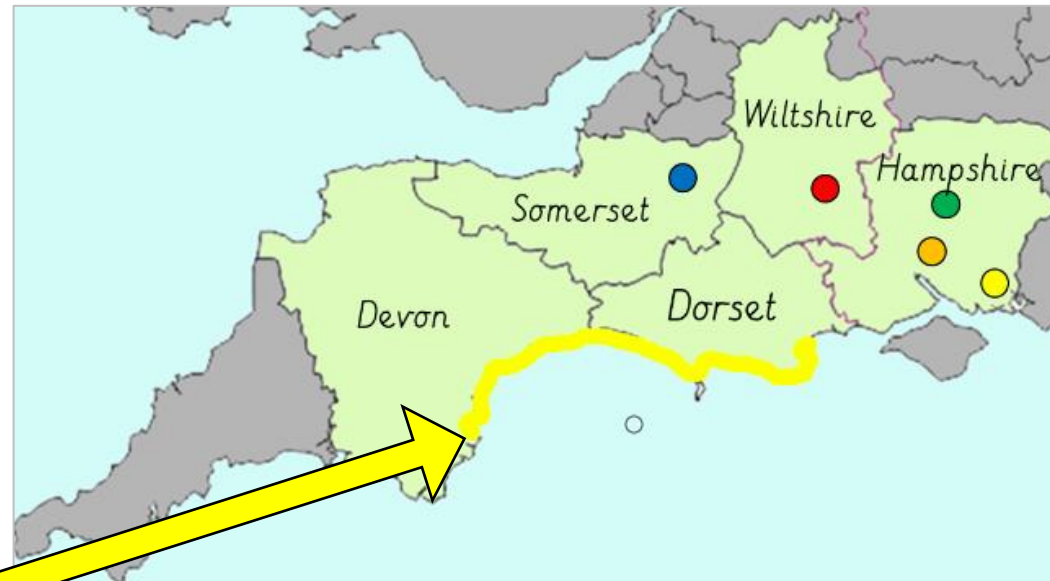

Portsmouth

Winchester

Southampton

The coast has changed overtime because of....

Man made sea defences

Housing

Erosion - the wearing away of the land.

Tourism

The impact of this could be:

- killing habitats
- pollution
- rubbish
- change the shape of the coast
