PATCH Communication

Dear Parents and Carers,

As we head into another busy year of events and fundraising, we'd love to make sure that all our school families are hearing about what's going on at PATCH.

We're looking for a few more parents and carers to join our PATCH Members WhatsApp group and help us spread the word about upcoming events, activities and fundraising across the school.

At the moment, we'd particularly love to have parents or carers representing Year 2, Year 6, Pandas and Koalas – although everyone is very welcome!

You don't need to join the PATCH committee, take on a formal role or commit to lots of volunteering.

We're simply looking for people who are happy to help share PATCH news with their class or year group when needed – whether that's passing on a WhatsApp message, reminding people about an upcoming event or helping make sure important information reaches as many families as possible.

It's a small way to help PATCH make sure that no one misses out on hearing about the events and opportunities we have planned....and if you do fancy getting more involved with PATCH, we'd of course LOVE to have you!

If you'd like to help, please drop us a message and we'll add you to the PATCH Members WhatsApp group.

Thank you for your continued support!

Kind regards,

The PATCH and Friends Team
