Christmas Cards and Gifts 2026

Dear Parents and Carers,

We're delighted to be bringing back our Christmas Artwork Project for 2026!

Following last year's unfortunate cancellation, we have chosen a new supplier, **Class Fundraising**, for 2026. Class Fundraising specialises in turning children's artwork into personalised Christmas gifts and cards, and we've also moved to a simple online ordering process, making it easier for families to order directly.

We hope this new approach will make the whole process smoother and, most importantly, allow you to enjoy some lovely personalised Christmas gifts featuring your child's own artwork.

Over the past few weeks, children have been busy creating their own Christmas artwork in class. Their designs will be professionally prepared by Class Fundraising and turned into a range of personalised Christmas cards, decorations and gifts.

Each child's artwork will be assigned a unique design code, which will allow you to access their individual design when placing an order.

This year, all orders and payments will be made online directly through the Class Fundraising 'Parent Shop'.

There is no need to send money or order forms back to school.

There is a fantastic range of personalised Christmas products available – please see the following page for some examples of products on offer this year. Every purchase also helps to raise funds for our schools, so your Christmas shopping can help support the children at the same time! We hope you love seeing your child's artwork transformed into something special that can be treasured or given as a unique Christmas gift to family and friends.

Once all the artwork has been received from the schools and sent to Class Fundraising for processing, we will confirm the dates that the online shop will open and close.

The online ordering portal will only be available for a set period of time, as determined by Class Fundraising. Once the shop closes, no further orders can be accepted, so please make sure you place your order within the specified ordering window.

Please keep an eye out for further communication with the confirmed ordering dates. Order cards containing your child's unique order code will also be sent home in their school bag.

Thank you, as always, for supporting PATCH and our schools. Every purchase helps us continue to fund activities, experiences and resources for our children.

Kind regards,

The PATCH and Friends Team

Christmas Cards and Gifts 2026 - Products

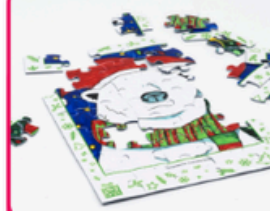

Wrapping Paper

Showcase your wrapping skills with a pack of 5 A2 wrapping paper sheets that stand out

Gift Tag

Leave heartwarming messages with our pack of 10 gift tags, made from high-quality card
