Winter Wonderland

Home Learning Task	Create a Christmas decoration to go up on display for our Winter Wonderland performance.
What to do	Get creative and make your own Christmas decoration to display at home or in school! You can use any materials you like, such as paper, card, fabric, recycled items, or natural materials. Think carefully about your design and add colour, sparkle, or patterns to make it festive and eye-catching. Be ready to share your decoration and explain how you made it when you bring it to school. We can't wait to see your wonderful creations! 🎄✨

Due in the week beginning Monday 7th December.
