

Our Samba Band

We meet every Monday after school, from 3.10pm-4.15pm in the music room at Canford Heath Junior School. The club is open to all year groups from Haymoor Junior School and Canford Heath Junior School.

We play lots of musical games and gain lots of knowledge about Brazilian Samba music.

We get to try out all the instruments and learn lots of different rhythms.

We practice playing all the different parts at the same time.

We perform at different community events throughout the year.

The club is run by Mrs Turner and is free.
