

# CANFORD HEATH JUNIOR SCHOOL PIANO TEACHER

## CHARLOTTE STOPPS

How many years you have taught at TEACH Trust?	5 years
Instruments you play (not just the one you teach)	Violin, piano, oboe, cello
Are you in any groups?	Collegium Musicum Dorset
Best bit about being a musician?	Making music, performing, sharing with others what music can do for you, playing with other musicians.
What would you do if you weren't a musician?	I would be very sad!!!! Since I was 4 years old, all I ever wanted to do was be a musician and play music so I have no idea what else I might be doing now if I wasn't
Favourite piece of music?	Beethovens Violin concerto in D Major. It was the first piece of music I heard as a child and always wanted to be able to play it, a dream I realised when I was 13 and was good enough to be able to learn it.
Last concert you went to see?	Classic FM at the Royal Albert Hall
Best bit of advice for your students	Lots of teachers (including me!) tell their students that practice is very important to get better at playing your instrument. But the most important thing as a musician is to enjoy what you're doing and have fun!!! Music has the ability to change lives, make people smile, and make the world a better place by bringing people together.
