Dear Parents/Carers

### **Communication home, school trips and personal data**

As you will be aware, school funding is in crisis and at TEACH, we are trying really hard to find ways to cut costs and bring in extra income, to try and break even. One of the areas of school life which is massively over-spent, is in paper and photocopying. Therefore, as a Trust, we made the difficult decision to stop producing paper copy letters. All letters and weekly alerts will be sent to you by email. Where your permission is required for a trip or event held in school, whether it is a trip requiring payment or not, we will need you to confirm your permission and to make any payment via the schoolgateway.

In order for you to obtain regular and important information regarding your child, you will need to download the Schoolgateway app for communications, and the SIMS Parent App for updating your child's personal records.

### **What you need to do to log on to Schoolgateway**

To receive emails from the school, if you have not already done so, please activate your School Gateway account. It's quick and easy to do. All you need is your email address and mobile phone number that school holds on record for you.

**Download the app:** If you have an Apple or Android supported smartphone, please download School Gateway from your app store (Apple App Store and Google Play). The app enables you to pay for school items and book your child(ren) onto school clubs, PLUS you can view messages sent from school for FREE.

**When installing the app, please ensure you say yes to allow push notifications, otherwise you will not receive notification of any new messages.**

You can pay for items via credit or debit card as well as by Instant Bank Transfer. *If you wish to make a payment on the app via Instant Bank Transfer, you must first fill in an Instant Bank Transfer mandate on the School Gateway website ([www.schoolgateway.com](http://www.schoolgateway.com)).*

**OR**

**Visit the website:** [www.schoolgateway.com](http://www.schoolgateway.com) and click on 'New User'. You'll receive a text message with a PIN number. Use this PIN to login to School Gateway.

We will notify you by text or email when there are new items to pay for, or clubs to book onto.

### **Can't activate your account?**

If you're having trouble logging in, it may be because the school does not have your current email and mobile phone number on record, therefore, please call the school offices to update the details on our system.
