We're using Atom Learning!

Dear Parents and Carers,

I wanted to get in touch to share some exciting news. In the upcoming term, Year 4 will be trialling the online learning platform, Atom Prime.

If you are not familiar with it, Atom Prime is a free platform that helps students succeed in English, maths and science, as well as verbal and non-verbal reasoning.

After lengthy consideration, we feel confident that Atom Prime will support our teachers to deliver a more personalised approach to learning for students, in the classroom and at home.

Supporting your child with Atom Prime

In the coming weeks, you will receive an email with a secure link to create your Atom Prime Parent/Guardian Portal.

This is a key part of our safeguarding provision that enables your child to use Atom Prime outside school, for example, to complete a homework assignment. This portal will also allow you to track your child's progress throughout the year.

To read Atom Prime's privacy statement, please go to: <https://atomlearning.co.uk/privacy>

We will share more information about Atom Prime in due course but if you have any questions in the meantime please reach out to me directly.

Best wishes,

Miss Tizzard
