Aspirations Day- Tuesday 13th June 2023

Monday 16th January 2023

Dear Parents/Carers,

During the second half of the summer term, on **Tuesday 13th June 2023**, we shall be holding our 'Aspirations Day' for the children in our TEACH Trust junior schools. In previous years, this has been a huge success and last year it made a reappearance post COVID. Throughout the day, the children are able to experience and hear about some of the many careers available to them in their future. Last year we had workshops, presentations, activities, virtual speakers and even external trips. Many of these experiences were provided by our very own school and local community.

In order to top the success of last year, we are once again asking if you have a career, hobby or skill which could inspire and enthuse our children. No job or skill is too small and we hugely appreciate any offers you can give. If you would be happy to be involved in either a short presentation or an interactive workshop, then we would love to hear from you. If you would like to be involved but are unsure of how to make it exciting and interactive then our Aspirations team would be more than happy to help organise an activity alongside you, which the children can participate in. Please indicate your interest on the slip below and we will contact you with further details. We value any support you can give us in raising the aspirations of the children at the TEACH Trust.

Please can all slips be returned to the school office by **Friday 10th February 2023.**

Yours faithfully,

J. Gibbins

Mrs Gibbins and Mrs Davey
